

Dear Families,

This year, I will be using Twitter to showcase our classroom achievements. It's an online social networking service that enables users to send, resend, and read messages known as 'tweets'.

I would like to seek your permission to use your child's image, and samples of student work, and activities on our school Twitter page (@McMaskillsMills) and on my own personal Twitter page (@teachingsmarter) where I regularly tweet educational material. My hope is to showcase it to motivate other teachers and schools with the creative ideas we regularly use in our grade 7 class as well as in the larger McCaskill's Mills community.

Families, who do not wish to have their children's images used will be accommodated and their faces won't be shown on Twitter.

Sincerely,

---

Please select one of the following options and return this form to the school so our tweeting can begin!
